

Petra Protection Pro Kit

PN 9600 Specification Sheet

Product Description:

Protect your car's upholstery, leather, glass, paint and tires with Petra's Protection Pro Kit.

Includes:

- Carnauba Wax (P/N 9D201-8)
- Leather Conditioner (P/N 9D303-8)
- Fab Protect (P/N 9D801-8)
- H₂O-X Glass Repellent (P/N 9D901-8)
- PetraFlate Nitrogen Caps (P/N 9PFCAPS1)

Features:

- Carnauba Wax contains a unique blend of mild abrasives and silicones that remove minor paint imperfections and clean and shine in one easy step. Protects finishes from UV rays
- Leather Conditioner restores the original texture and appearance of leather
- Fab Protect provides stain protection through water and oil repellency, making treated surfaces easier to clean
- H₂O-X increases water repellency, reduces glare and makes glass easier to clean
- PetraFlate Nitrogen Caps fit any standard air valve stem – set of 4
- Includes 1 year roadside assistance and 1 year road hazard protection
