Product Description:

PetraShield Leather Conditioner and Cleaner is a complete one-step product that helps clean and condition all non-suede leather. It leaves a fragrant leather scent while preserving resiliency and strength.

Features:

- Leather-scented mousse.
- Water repellent.
- Safe for all leathers, including vehicle interiors.

Benefits:

- Contains no heavy waxes that cause surfaces to become slippery.
- Will not damage stitching.
- No unpleasant odors associated with most leather cleaners.
- Will not negatively impact leather's appearance.
