## Product Description

Petra Shield Bug Remover is a biodegradable 1:1 concentrate which is a non-caustic, non-volatile liquid that loosens bug and insect residue on glass, chrome or any painted surface.

## Features

- Amber colored liquid
- 1:1 concentrate
- Low alkalinity (pH 9.5)
- Loosens insect residue
- Free rinsing
- VOC compliant

## Benefits

- Low usage cost since it is concentrated (1:1) and mixes with water
- PH balanced formula cleans without streaking
- Quickly loosens inset residue from vehicle's surface, enabling it to rinse freely

Consult the Safety Data Sheet (SDS) for complete safety information, available from your local representative or our company website upon request.
