Petra Pro Kit

PN 9800W Specification Sheet

Product Description:
Protect your car's upholstery, leather, and paint with Petra's Protection Pro Kit II.

Includes:
- Paint Protector (P/N 9D701-8)
- Leather Conditioner (P/N 9D303-8)
- Fab Protect (P/N 9D801-8)

Features:
- Paint Protector contains a unique blend of mild abrasives and silicones that remove minor paint imperfections and clean and shine in one easy step. Protects finishes from UV rays
- Leather Conditioner restores the original texture and appearance of leather
- Fab Protect provides stain protection through water and oil repellency, making treated surfaces easier to clean
- Includes 10 year product warranty
