Product Description:

PetraShield Petra Shine is a spray-on wax that helps remove dirt from vinyl, paint, and plastic surfaces. The silicone base helps add a lustrous shine and leaves no residue. This product is suitable for hard-to-reach places such as air conditioner ducts. Not for use on rubber.

Features:

- Easy to use.
- Helps restore body and shine.
- Rinse free.
- Can be used as a clay bar lubricant.

Benefits:

- Unique spray pattern enables direct control of stream.
- Will not damage coated aluminum and plastic wheel covers.
- Helps create a high-quality shine.
