5 OZ

Product Description

PetraBlaster is formulated to treat unwanted smells that arise inside a vehicle. Smells in vehicles can occur due to many contributors, including body odor, food odor, pet odor, smoke odor, and environment odor. PetraBlaster's unique formulation helps treat the root causes of those smells at the source. Special active ingredients treat odors in the carpet, headliner, and throughout the vehicle. It penetrates every possible corner of the vehicle and its return air giving you a fresh, clean smell. PetraBlaster does not mask scents but results in an actual clean smell.
